## Color Belt Philosophy

The philosophical interpretation of the Red/Black Belt is:

"The dawn of a new day, The sun breaks through the darkness." The previous day has ended giving way to a new dawn, □  
The student must begin a new phase of training: that of being a black belt.

## Board Breaking

**General:** 1st degree recommended black belts must perform their board breaks at a formal testing. All breaks should be done as "combinations" as though in a combat situation, After bowing, the student should break immediately. Stopping to "measure" the boards or any other pause longer than taking a breath shall be considered a "try" and will count against his/her score.

## Technique Requirements
